

Dear parent,

Did you always want to know how you could help your child become a better athlete without being “pushy”?

Would it make you feel better if you could understand all technical mumbo-jumbo of figure skating?

Could you use some help and advice from a sports psychologist or nutrition expert?

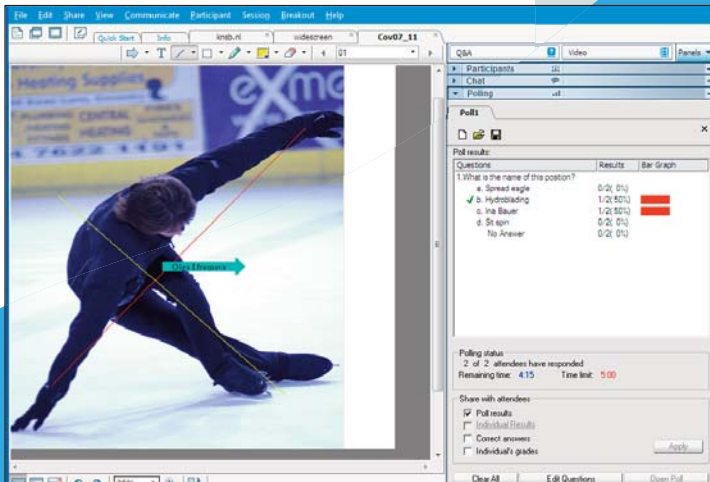

We bet, yes. That’s why we are here.

ELITA Live, E-Learning Ice Training Academy is offering a number of online and recorded lectures for skater parents. Our presenters include experienced coaches of national champions and international medallists as well as experts in sports science, nutrition and sports psychology.
